Jay,
It's been great knowing you. Doesn't what sound so past tense? Like It was great today but hot tomorrow's party will be. Oh well. Have a totally funny guy. Anyway, this summer!

Keesha

Jay,
Thanks for the rides home. Rain is an omen for your party. Don't panic. Get a perfect couple. You could make a perfect couple. Sorry Mrs. Cooke. You should've stuck to Sign this. You're a loser. It's a shame I'll give me a call this summer and we'll do anything I wouldn't do - which isn't much. Have a summer + party but don't do

Jay,
You have been a true friend and a fun person to be around. Have a great summer and make sure you call me when you're back in town. Have a great summer!

Love,
Sarah

Jay,
You have not left me much room to write, therefore my script will be rather small. This year, we had some good times, tears, drama, Derek's, Jay's crying, camper, Shenanigans, fake tag, Horrigan, laser tag, and trips in the escort. Next year, I'll continue to party sure we'll be two of getting intoxicated and accosting young females should be our priorities. Keep studying and you'll catch up to my intelligence too, and know my number. Give call, yes, Bar Hren Later. Your pal, Jay

P.S. your an animal!
P.S.S. your a monster
P.S.S.S. Rape de women
drink de wine!

Jay,
Have a great summer and don't drink and drive. Don't do anything I wouldn't do and then brag about it.

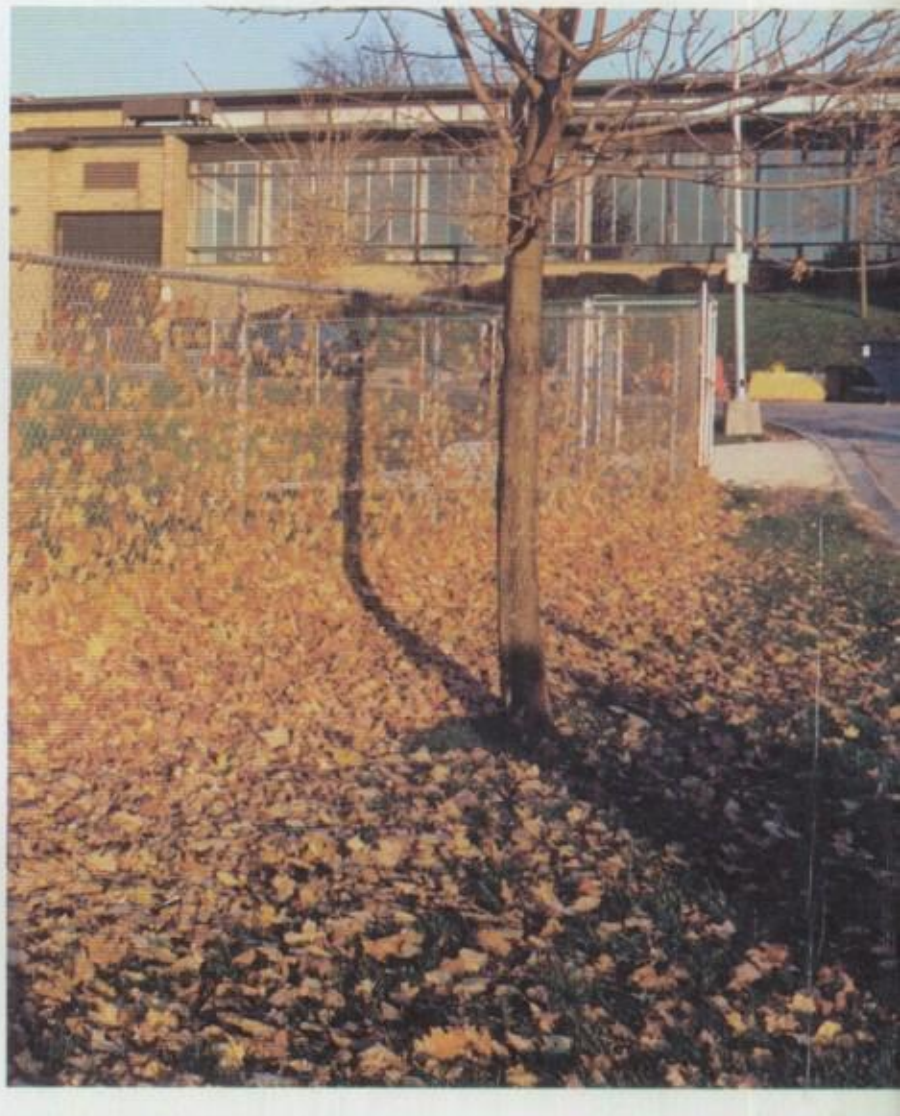
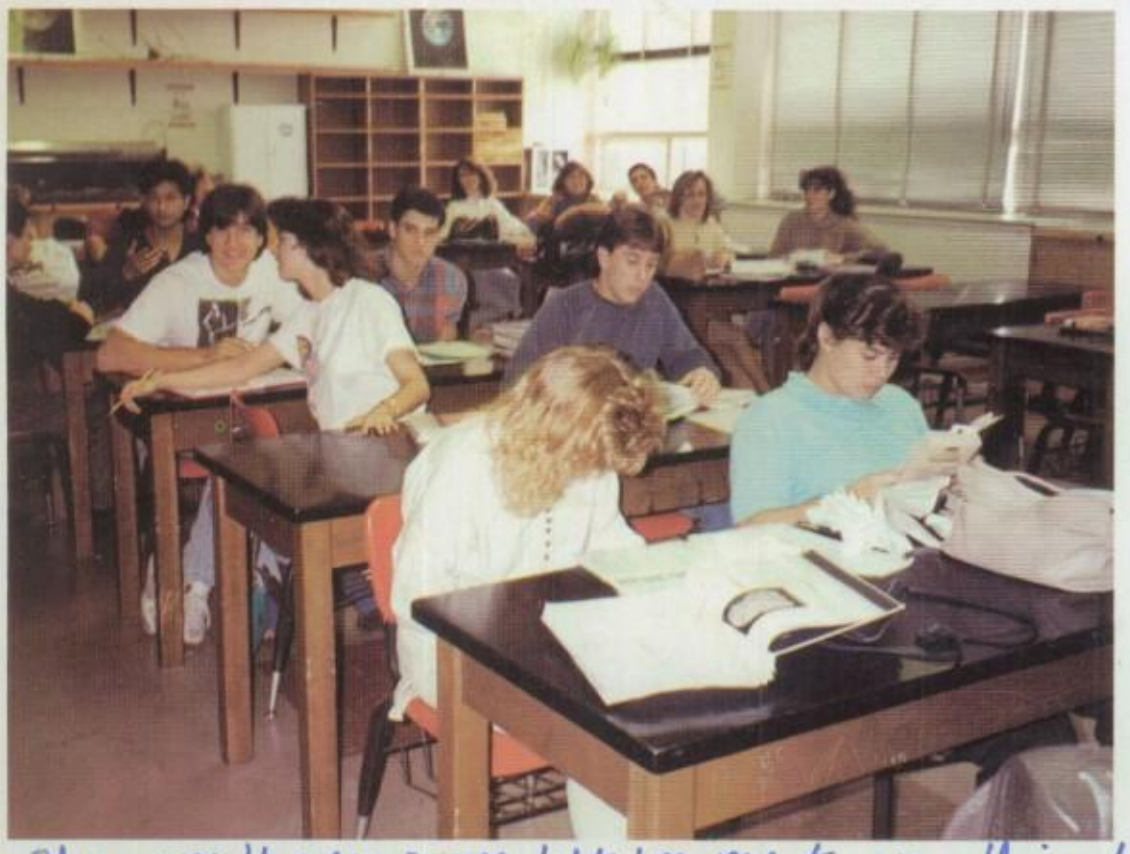
When we say something is the "State of the Art," we usually are referring to a revolutionary new breakthrough that is at the forefront of creativity or technology. There is a certain aura surrounding things that are state of the art which makes us proud that we live in a world where such things are possible. This pride comes in many forms, such as patriotism, but here at Wheaton Central, we have a special name for it. We call it Tiger Pride. Our pride stems from everything we do. From this year's new gym floor to the Senior Clock to the benches by the main entrance, we can see the improvements the school is making. From the "no surrender" attitude of our Tigers in competition, be it football or speech team, we can see that the pride is back and here to stay. From this year's referendum vote, we know that our parents, friends, and neighbors are supporting us in all that we do. We are the best of the best; we are the State of the Art.





ay - There wasn't any room left for me to sign this. So I hope you find it. We've had uite a year, haven't we? I want you to know that no matter what happened in the ast, I hope we can become better friends in the future. This summer will e too incredible for words. I can tell already that we are going to have

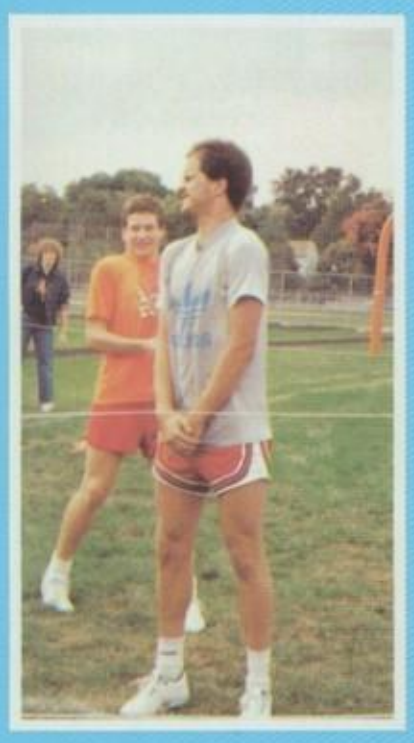
# NO SURRENDER



Homecoming this year was a huge success with its theme "No Surrender." The week started with a bang as Centralfest revved up the Monday blues. All the clubs and each of the four classes had very profitable booths. There was a wide variety of games, eats, and other wares to choose from.

Every day during Homecoming Week, students dressed up according to the theme of the day including Garbage Bag Day and Hard Rock Cafe T-shirt Day. Unfortunately, the bonfire was rained out and the Fighting Tigers lost the football game in a valiant effort.

On Homecoming Saturday, the Booster Club held its annual Pancake Breakfast and the week culminated with the Homecoming Dance. Queen Tracy Pierson and the rest of the crowd witnessed the crowning of King Dave Glendinning, capping off a truly memorable Homecoming '87.

Once again, the Wheaton Central High School Show Choir continued to dazzle audiences everywhere. In addition to the normal performance schedule of grade schools, company luncheons and Booster Club functions, the group performed twice for the home crowd. The Show Choir even managed to take time out of their busy schedules to go caroling in school, at the Administration building, and to appreciative homes around Wheaton. As usual, the Show Choir also planned a trip outside the Chicago area.

The Wheaton Central Show Choir is truly a unique group. Comprised of the best singers, dancers, and instrumentalists, the group continued to carry on the tradition of demonstrating class and professionalism beyond their high school years.

In his second year as Choral Director, Mr. Krauspe has certainly proved that one man can affect many people. The results from the Mixed Chorus, Treble Choir, and Chamber Choir came from the effort and commitment of him and the students.

This year's Treble and Chamber Choirs included many of Central's best singers. Students auditioned the previous spring and were chosen for the right choir based on talent, dedication, and individual needs. Mixed Chorus was designed to introduce new students to choir and to allow others a chance to just sing and have fun without the heavy performance schedule. Mixed Chorus was also a stepping stone into the other more advanced choruses.

All three choruses performed in the annual Fall and Christmas Concerts, as well as an All-American spring concert and a Words of Music concert. The All-American concert had music of American composers and lyricists while the Words of Music concert used music whose words came from poetry, psalms, and the Bible. At Christmas time, the Chamber and Treble Choirs taped a Christmas show for CENTEL and went caroling in downtown Wheaton and at several local convalescent centers. In addition to these performances, the choirs participated in a choral clinic at ISU, competed in the IHSA organizational contest, and performed in the High School District Festival.

This year's band program has put new, exciting, and innovative ideas on the field. The spy field show that won third place in state competition included a uniform change in a tunnel; the characters James Bond, the Pink Panther, and Phil Collins; and a dance routine. For the concert hall, the band developed beautiful music that expressed emotion. Band members are among the most spirited and hard working students in the school. They always strive for perfection and state of the art performances. This year's program, as always, constantly worked toward "Absolute Class," "Professionalism," "The Perfect Still Picture," and "The Standard of Excellence."

# ORCHESTRA

Judging by the comments of all the audiences, this year's orchestra has been the best one yet.

The group made its impression early as they entertained parents at the Fall Parent Open House. Like the choral groups, the Orchestra also performed in the Fall, Christmas, and Spring concerts. The group earned money performing at several Booster Club functions, and various banquets for such organizations as the Wheaton Eye Clinic and ServiceMaster. The Orchestra also distinguished itself by participating in a String Consortium at the University of Illinois in Urbana-Champaign.

In addition to the normal program of classical and pop music, the Orchestra was introduced to the world of jazz by violinist Randy Sabien. Sabien held a two-day clinic at Central, helping students with improvisational and other jazz techniques. Sabien's trio held a concert at Wheaton Warrenville Middle School where the Orchestra backed him up on one number.

Individually, several members of the Orchestra gave outstanding efforts this year. All of the Orchestra's students who auditioned for the IMEA District Orchestra made it. These students include violinists Sylvia Sung and Kirsten Young; violist Jeff Wiedemeier; and Tom Arnfield on string bass. In addition, Sylvia, Jeff, and Tom made the All-State Orchestra. Graduating seniors Concert-mistress Sylvia Sung, pianist Annie Huang, and cellist Cindy Ardelt from Wheaton North performed the Beethoven Triple Concerto with the combined District High School Orchestra. The girls also played the concerto in the DuPage Symphony Orchestra's Concerto Competiton for prize money and the opportunity to perform in concert with the Symphony Orchestra. Because of these distinctions, Wheaton Central's Orchestra is truly classified as "State of the Art."

# TECH CREW

Hidden from the spotlight of the performers in each and every Performing Arts Production is the all-important Tech Crew. This bunch of students led by Kristen Overcash and Stage Managers Alanna Walen and Joe McKee built sets and ran the backstage show for all of the plays and the Variety Show. Their efforts deserve as much applause as Central's performers, for without the Tech Crew, our shows would not be "State of the Art."

By faces L to R: Melanie Cooley, Danielle Paquette, Emily McEwan, Tony Halvorsen, Alanna Walen, Jeremy Delamater, Allison Barrett, Joe McKee.

# PERFORMING ARTS BOARD

New to the Performing Arts family this year was the Performing Arts Board. Comprised of students from all the performing arts and P.A. Department Chair Ms. Kulinski, the Board serves the Performing Arts Department like Stu-Con serves the school. The Board was created to give students a chance to have input in the "goings-on" of the Department and help with program planning and other activities. With this direct link between the students and faculty, more student opinion was heard and communication improved. The Board's impact on the Performing Arts Department and the rest of the school was felt immediately and will continue to influence events in the future.

A crippled girl, a disillusioned mother, a man trying to escape, and a gentleman caller make up the small cast of *The Glass Menagerie*. The play is an autobiographical show by Tenessee Williams. It centers around his early adult years when he was trapped in a house full of disillusionment and despair. Laura, Williams' sister, is crippled. His mother's refusal to accept this creates tremendous pressure on Laura and the rest of the household. In the second act, Tim, the gentleman caller comes. In Tim, the mother finds a husband for her daughter. However, when Tim announces that he is leaving, not to return, their hope is lost. Keith Spengel, playing Laura's brother Tom, did an excellent job of portraying the frustration and confusion this life had dealt him. Jennie Colby (Laura) and Jay Johnston (Gentleman Caller) had a very touching scene where the emotions of hope and despair were so strong that much of the audience was left crying. Jerusha Matsen played the dominant mother perfectly. *The Glass Menagerie* was one of the finest dramatic productions ever at Wheaton Central.

# ODD COUPLE

Directed by senior "Spike" Spengel, the WCHS version of *The Odd Couple* took place on October 2nd and 3rd starring:

| | |
|---|---|
| Melissa Capo | Olive Madison |
| Kathleen Sheehan | Florence Unger |
| Felicia Slattery | Silvie |
| Tracy Artman | Vera |
| Lindsey Snowden | Renee |
| Sara Legatski | Micky |
| Dave Brancato | Manolo Constasuelo |
| Omar Brancato | Jesus Constasuelo |

Neil Simon can be called one of the greatest playwrights of our time. One of his best masterpieces of comedy is none other than the play, *The Odd Couple*. The question can then be asked, "Can a student-directed play with a cast of beginning actors do this script justice?" The WCHS cast of *The Odd Couple* proved that the answer to this question is a resounding, "Yes!"

The play was hysterically funny and a real treat for the audience. Everything from Olive's wisecracks and Florence's moosecalls, to the plate of linguini sauce thrown against the wall, left the audience in stitches. They especially enjoyed the Castasuelo brother scene.

Director "Spike" Spengel did a great job of casting, considering that over sixty people auditioned for the eight spots. He also did a tremendous job in cutting the script down to a manageable size, and pulling the play into one great finished product in less than one month.

The play was a wonderful experience for all involved and everyone should be congratulated on a super job, including Assistant Director Jenny Esterman, Producer J.B. Gerace, Technical Director and Scenographer Kirsten Overcash, and the WCHS Tech Crew. Even Neil Simon would have been proud.

Under the tutelage of coaches Joe Gerace, Donna Messina, John Powers, Julie Price, and Jon Fuller, as well as the leadership of Captain Keith Spengel, Wheaton Central's Speech Team once again had another extremely successful season. Nearly every Saturday between October and March, Central students scattered across Wheaton and Warrenville dragged themselves out of bed at the crack of dawn to prepare for a long day of competition. Traveling to tournaments around the Chicagoland area and as far south as Peoria, both Novice and Varsity teams fared very well against many excellent teams. The Wheaton Central Speech Team continued in their longstanding tradition of excellence and, of course, class.

# LATIN CLUB

The Latin Club was founded to enhance students' knowledge of Roman literature and language, and to have some fun. The officers this year were Gilbert Lenz, President; Nancy Jozwiak, Vice-President and Secretary; and Brad Salzmann, Treasurer. The Latin Club activities that they sponsored this year included a ball toss at Centralfest, several pizza parties, the organization of a Latin newspaper and a banquet at the end of the year. The Latin Club had a very good time this year.

# HERITAGE CLUB

Row 1: Zhavonne Thompson, Stacey Harris, Teresa Kendrick.

The Heritage Club is an organization formed to promote personal and social growth, explore the background and heritage of different cultures and to encourage greater contributions in areas of school spirit and student government. President, Stacey Harris, Secretary, Teresa Kendrick, and Treasurer, Zhavonne Thompson were actively involved in one area of school spirit, Centralfest. They also planned several other activities such as a forum for foreign exchange students, promotion of Black History Week and special displays of holidays such as Martin Luther King, Jr.'s Birthday, Lincoln's Birthday, and Casmir Pulaski Day. Over all, the Heritage Club is a very active and important club in our school.

# INTERNATIONAL CLUB

ROW 1: Lis Villegas, Kristen Fimmen, Sara Bravo, Aina Rudd, Elaine Clarke, Jenni Heaton, Gabriella Hermansson. ROW 2: Mayura Jayaram, Matt Clark, Mary McCall, Karen Kolb, Melissa Kotel, Tina Becker, Annie Huang. ROW 3: Mr. Martin, Jaime Sarabia, Steve Wiegman, Sara Howe, Andy Clarke, Jose Springer, Megan Hansen, Mrs. Bower.

This year, the foreign language clubs saw a change for the better. Instead of having separate clubs for each of the languages, the International Club was created. The purpose of International Club is to welcome and get to know our foreign exchange students, and to learn more about people and customs from other cultures. Sponsors Mrs. Bower and Mr. Martin helped President Karen Kolb, Vice President Mary McCall, Secretary Melissa Kotel, Treasurer Matt Clark, and Historian Tina Becker plan numerous activities. The group held a welcome party for our exchange students, a Halloween "scary video" party, and a Christmas party with foods from different foreign countries. The club also sponsored two booths at Centralfest, visited several ethnic communities, sponsored needy children, dined at a restaurant with a foreign flair, and heard presentations from each of the exchange students on life in other countries. The International Club added a new, interesting dimension to foreign language study at Wheaton Central.

# FRIENDS FROM ABROAD

1: Gabriella Hermansson, Sara Bravo, Ana Maria Klett, Aina Ruud. ROW 2: Tina Becker, e Sarabia, Alfredo Herrero Ojeda.

Being exchange students at Wheaton Central High School has been a great experience for us. When each of us first heard that we were going to Chicago, some of us got really scared-thinking about all the gangsters and the Mafia. We also thought that this would be the "Wild West" with lots of cowboys! Soon we found out that people in Wheaton weren't killing each other or riding around on horses with lassos in their hands. No! Wheaton was a beautiful town with beautiful people.

All of us exchange students have experienced many new, different things: American Football, junk food, School Spirit, needing passes in the halls, and eating jelly on your peanut butter.

Sarah from Spain loved Chicago and International Club. Tina from Germany has enjoyed being on Yearbook and eating Chocolate Chip Cookies. Ana Maria from Chile loved the Football players. Gabriella from Sweden liked the people here and looked forward to Graduation. Jaime from Bolivia left in December but he liked the school very much. Alfredo from Spain liked the Basketball games and the Open Houses. And Aina from Norway has really enjoyed the colleges and the "T.P.ing."

All the exchange students want to thank W.C.H.S. for their great year here in Wheaton. "We really had a fun year, and hope you can come and visit us in our countries some day!!!!!!!"

# GERMAN CLUB

This year German Club, commonly known as StEP, celebrated its tenth anniversary. In that amount of time, the Student Exchange Program has enabled hundreds of German students to see America in a way no other tourist could. Likewise, many of Central's students seized the opportunity to travel overseas to Germany. The Program has truly fulfilled the purpose of having a German Club in high school: to promote the study of German and to learn and appreciate Germany's culture and heritage.

As in the past, the Club spent many hours preparing for the annual arrival of fifteen German students in the spring. Led by President Kirsten Young, Vice President Andy Erins, Treasurer Bob Tampa, and Secretary Diane Kotte, the group held many fundraisers, enabling Activities Chairman Laura McIntyre to plan numerous activities for our German guests. Hosting Chairman Robin Johnston matched up host families with prospective guests and made schedules for them. But when the German students finally arrived the fun had just begun!

ROW 1: Heather Umbeck, Kim Way, Diane Kotte, Debi Charpie, Lee-Ann Liska. ROW 2: Mary McCall, Annie Huang Laura McIntyre, Seth Tisue, Eric Nehrlich, Janice Barlog. ROW 3: Bill Poore, Robin Johnston, Kirsten Young, Andrej Erins, Bob Tampa, Mrs. Tate. NOT PICTURED: Gretchen Laws, Kathy Laws.

Last summer, eight Central students and two teachers "experienced" Germany. As a group, they went to various cities in Bavaria including Nuremberg, Regensburg, Rothenburg, Bamberg, and Munich. In addition, each student had the opportunity to see different sites in Germany with their host families.

After three weeks in Neumarkt, the group took a train to Berlin. For five days, the group toured the many memorable sights of Berlin including the Europa Center and the Berlin Wall; and shopped on Berlin's famous shopping strip, the Kurfurstendamm. This year was an ideal time to be in Berlin, because the city celebrated its 750th birthday.

The group concluded their stay in Germany with a day in East Berlin. After briefly glancing life in the Communist city, the group was ready to board a train back to Frankfurt for the flight home. Although each "ambassador" only spent a short time experiencing a different culture and way of life, everyone will remember the trip forever.

The Foreign Language National Honor Societies honor students who excel in German, Spanish, and French. This year, the Language National Honor Societies combined to perform one induction ceremony for the new members of each society. All of the new inductees were notified with carnations beforehand. This year's officers were: for German, Annie Huang-President; Christine Tsiang-Vice President; Kirsten Young-Treasurer; Mary McCall-Secretary; Diane Kotte-Director of Activities; for French, Doug Allen-President; Karin Wang-Vice President; Bob Goldsborough-Treasurer; and Tong Vang-Director of Activities; for Spanish, Mary McCall-President; Jenni Heaton-Vice President; Pat McEwan-Treasurer; and Jose Springer-Secretary. The new format for inducting new members into each of the Societies should be a long standing tradition for years to come, as will the continuing excellence that the members represent.

The Wheaton Central High School chapter of the National Honor Society got off to an early start this year. With the guidance of sponsors Sam Bachtold and Peggy Henry, the remaining 1986-87 members planned several activities, including a trip to New York over spring break. Even with the busy schedules that all of these students have, several members managed to find time to act as guides for lost parents at both the Fall and Spring Parent Open Houses.

Certainly a large part of NHS tradition includes the fall and spring inductions in which new members are welcomed into the WCHS chapter. In October, twenty-six more seniors were inducted into the membership of the National Honor Society. President Liz Toohey, Vice President Jenni Heaton, Secretary Maggie Blinn, and Acting Treasurer Eric Schwarze, for John Garay, all gave speeches on the principles of the National Honor Society: Character, Scholarship, Leadership, and Service. The ceremony was repeated again in the spring as deserving students of the Class of 1989 were inducted.

# OPERATION SNOWBALL

In its second year at WCHS, Operation Snowball was once again a success. With many of the participants being freshmen, Snowball Weekend had a lot of new faces as well as old ones. After the weekend was over, training sessions were held for Snowflake; a one day Snowball for Middle Schoolers held at Wheaton North. Snowballers also had the opportunity to participate in Care Week and join PAC. Operation Snowball at WCHS should continue over the years with much success.

# SPAGHETTI DINNER

The Spaghetti Dinner, sponsored by the Booster Club, was a culinary passport to Italy. All those who attended enjoyed a dinner of spaghetti with meat sauce, garlic bread and Italian Ice. They also enjoyed the talents of the Show Choir, Jazz Band, and the Orchestra directed by Maestro (?) Baker, whose conducting inspired our basketball players to win the game against Wheaton North afterwards. The Spaghetti Dinner was a great success this year and all who came enjoyed themselves! Thanks Booster Club for another great event!!!

Stu-Con members are responsible for coordinating many of the traditional events of Wheaton Central. The Homecoming Week festivities, Turnabout, the blood drive, Christmas Sharing, and numerous open houses are all planned and executed by Stu-Con each year. Stu-Con, made up of all of Central's class officers, elected the following students to guide them through this past year: President Mark Goble, Vice President Beth Muir, Treasurer Cindi Connelly, Recording Secretary Tracy Pierson, and Corresponding Secretary Brigette Kubin. The 1987-88 Stu-Con was responsible for many of the improvements in the school. The second annual centralfest was bigger and more successful than the original. Due to pressure applied by Stu-Con, daily announcements were rescheduled. Through these and other activities Stu-Con worked to make school life a little easier for everyone.

# PEP CLUB

All of Central's sports teams want to thank Pep Club for their support. Not only did Pep Club cheer on our Fighting Tiger athletes, but they also supported the Speech Team and other competing activities. This year's Pep Club members came from all walks of life including Cheerleaders, Stu-Con members, Show Choir and Band members. Sponsored by Mrs. Marro and led by Jenny Arquilla and Kelli Downey, the Pep Club made locker signs and banners; and displayed tremendous school spirit which encouraged others to follow their examples. In the future, Pep Club will certainly do its best to make Central's activities keep their reputation of being "State of the Art."

# GAMERS CLUB

One of the new clubs that was founded at Central this year was the Gamers Club. Sponsored by Mr. Holland, the club was formed to create, experiment with, and play/test new games for possible publication. The club had regular meetings and elected officers Matt Leacock, President; Mike Bruce, Treasurer; John Votau, Secretary; and Chad Kroll, Head of Fundraising. The club sponsored game nights and raised funds by selling sample games. The Gamers Club is an excellent example of the creativity and diversity available at Wheaton Central.

# SCHOLASTIC BOWL

Quick! Who wrote War and Peace? In what biome would one find a ptarmigan? How many pecks make a bushel? What? You don't know the answers? Well, fear not, because chances are someone on the Scholastic Bowl team will. With hopes of repeating their conference championship, last year's players, as well as several rookies, practiced diligently throughout the year. The Tigers competed, not only in the IHSA meets, but also in the Knowledge Master Open, (2nd in state, 16th out of 1340 nationwide). Sponsored by Mrs. Tate and Mr. Klaper, and led by captains Seth Tisue and Tina Tsiang, the team looks forward to a promising future of continued success.

The team enjoyed another year of superior excellence competing in two-person and eight-person teams; and individually in Algebra I, Geometry, Algebra II, Pre-Calculus, and special events like the Oral competition. At Regionals, Central's team placed eleventh overall out of 23 competing schools. The Two-Person Junior-/Senior Team of Seth Tisue and Brian Paulsen did exceptionally well by placing second after a close run-off match. The Eight-Person Team did just as well, taking third place. Qualifying for State this year were Seth Tisue with his fifth place score in the Pre-Calculus Written Competition, and Adam Schwarze for his perfect score first place finish in the Geometry Written Competition. The students involved in Math Team continued to bring recognition to Wheaton Central through their numeric skill and mathematical accomplishments.

The yearbook staff has once again (we hope) completed their objective; to create a yearbook for the student body to enjoy and keep for years to come. Accomplishing this goal was a lot of hard work for the staff and numerous volunteers. There were many late night sessions, especially when the Senior biographies were typed. For these late night meetings, there were Jewel runs by any member who had a car and the time. (Anu always had the time.)

Some things were done differently this year. The senior section was planned with more flair by Senior Editor, Mary McCall. Since color mug shots were too expensive, autographs under the pictures were the next best thing. The Activities section added grey borders and a Senior Art Gallery while the Sports section had alternating black and orange pages. The index was finished in time this year to be put in the book and not the supplement. The new advisors, Mrs. Coffman and Mrs. Beatrice, learned much on the job.

Most of the deadlines were met this year because of all the hard work everyone put into their sections. After the freshman section was messed up, the staff rushed right up to the deadline to redo the section.

But yearbook wasn't all work. There was a party at "Pal Joey's" with a movie and bowling afterwards. After the last deadline, the yearbook staff had a party to celebrate their accomplishments and to wish Mrs. Coffman good luck on her move to South Carolina. She will be missed by next year's returning staff members.

After the deadlines and the parties were all over with and the yearbook was finished, all that remained were the memories of fun times whenever a staff member leafed through a book. We hope you enjoy the book as much as we enjoyed making it for you.

This lovely yearbook has come to you compliments of a very dedicated staff and of course that $16.00 you paid at the beginning of the year. It's not an easy job, but rather a process with many steps.

The yearbook needs a sponsor. This year we had two wonderfully dedicated women: Mrs. Coffman and Mrs. Beatrice.

The search for ideas.

The yearbook would not be a yearbook with out pictures.

Art Editor Neha Desai always provides beautiful drawings.

Photography editor Alanna Walen is priceless when it comes to photographic art.

The photos need to be selected and cropped.

Then comes the frustrating job of layouts . .

. . . final layouts . . .

. . . and typing copy.

After careful proofing,

The pages are ready to be mailed.

The finished product!!!!

And through all that the staff still found time to sell supplements,

Discuss the prospects for the 1988 World Series, . . .

EAT, EAT, EAT!!!

And generally do strange things.

Jay-

The Tigers roared for Parent Night, as Scott Becker and Devin Leftwich led the team to an exciting upset victory over one of the best teams in the state, Naperville North. Alan Shimp kicked two difficult field goals to secure the 13 to 9 victory. After a great defensive stand the Tigers took over at the four yard line when Jeff Thorne and Brent Krulac executed an 81 yard pass play that sealed the victory.

Other highlights of the season included a 57 yard punt by Dan Cothern, two fake field goals that resulted in touchdowns for Byrne Gallager from Jeff Thorne, Jeff Richardson's five interceptions, Greg Shelby's quarterback sacks, an 87 yard kick off return by Rob Seabrooks, a blocked punt by Scott Becker, the improvement of our offensive line, and having a freshmen Marvell Scott earn a Varsity Letter.

Scott Becker and Devin Leftwich made the All-Conference team and they were also voted Co-MVP. Devin was voted CO-Outstanding Offensive Player along with Jeff Thorne. The Outstanding Defensive Player was Scott Becker. The Larry Brock Outstanding Lineman awards went to Darin Joyce (senior), Greg Shelby (junior), Jeff Memeti (sophomore), and Jim Simpson (freshman). Voted the Outstanding Special Teams Players were Alan Shimp (kicker) and Jim Tagye. The Don S. Garner Award, our most prestigious honor, went to Scott Becker.

Captains for the 1987 season were Dan Cothern, Pat Populorum, Manny Verdugo, Pete Aughnay and Darin Joyce. The season was a success mainly because of a great job by the seniors. The future looks very bright for the Tigers with strong underclassmen and 14 returning lettermen.

The 1987 Varsity Soccer Team was again a respected opponent this year. After posting a mere .500 record the past few years, the varsity team battled to a final 15-5-2 record for the season.

1987 season had many memorable moments. The season opened with three shutout victories at the Rockford-Boylan tournament. The Tigers defeated Wheaton North (5-0) for the first time since 1984. Twice the team played close games with state-qualifying Naperville North, falling on fourth quarter goals 2-1 and 1-0. The Tiger team advanced to the regional final with victories over Glenbard West and Streamwood. Expectations were rising for a state-qualifying team. However, on a cold afternoon in October, these hopes were crushed by a 3-2 loss to a strong Lake Park team. Nonetheless, the memories of this season will last for many years.

This year's squad was led by Co-Captains Bob Scheibel and Dave Glendenning. Dave Glendenning and Tony Vang paced the team with All-Conference honors. Don Emma and Bill Maliff received All-Conference second team honors. Chris Hobein, Dan Boulton, Bob Scheibel, and MVP Doug Allen took Conference Honorable Mentions.

The Sophomore Soccer Team had a 7-6-3 record and came in 3rd in Conference behind Naperville North and Central. The team, coached by Mr. Lucky and led by Captains Kevin Rose and Mark Gianfrancesco felt they had a successful year. The team really came together this year, and hopes to have an even better season next year.

The Freshmen had an outstanding year. Under the leadership of Coach Stough, they learned new skills, came together as a team, and cooperated well considering it was their first year. They won 8, lost 1, and tied 4. Congratulations Tigers. Good luck next year.

Everyday during the summer, the cheerleaders attended double practices to prepare for camp. At camp, they thoroughly enjoyed themselves and got a chance to meet many new friends. During the football season, the cheerleaders performed at pep assemblies on the sidelines supporting the Tigers. Captains Tracy Pierson and Alesha Gunderson aided the squad with their spirit and enthusiasm. The cheerleaders are to be thanked for their efforts during the 1987 football season.

The soccer cheerleaders also practiced during the summer and went to camp. Their Tiger spirit helped the soccer team achieve one of its best seasons ever. Tri-Captains Sheryl Chadra, Sally Newman, and Jolene Nork helped lead the squad with increased school spirit.

# GIRLS TENNIS

The Varsity Girls' Tennis Team was expected to do well this season, and they did not disappoint anyone. Although they started the season very slowly, they ended on a high note, as they won the Conference and Sectional tournaments and sent a singles player and doubles team to state.

This year's team was coached by Joy Pierson and the Tri-Captains were Katie Kroger, Sue Steele, and Jenny Arquilla. All three said the attitudes and spirit of the team was great. As only one starter is graduating, next year's team should be even stronger, and is expected to improve on Central's second place finish in Conference.

This year's Varsity Boys showed incredible improvement over last season. 1986's last-place finish was forgotten as the Tigers finished 5th at the DuPage Valley Conference meet. Three of last year's Varsity letter winners returned to lead the Tigers: Senior Co-Captains Chris Pietsch and Lee Hildebrand, and senior Bob Goldsborough. The Varsity "harriers" also received strong support from senior standout Kirk Huffaker, senior transfer Jeff Montgomery, Most Improved winner junior Chris Grzelek, and senior "Gutbuster" award-winner Doug Weckesser. Team MVP Pietsch's 10th-place finish at the DVC meet was good enough to earn him All-Conference honors, making him the first WCHS boy in three years to accomplish that feat. The team made a strong showing at the IHSA Regional Meet, and if early indications are correct, next year's Varsity runners have a great chance to advance to the IHSA Sectional meet. Congratulations on a fine season, Tigers!

Wheaton Central's Freshman-Sophomore boys enjoyed an extremely successful season. Freshman Nando Elliot emerged from the pack as the #1 runner on the freshman-sophomore team, the winner of the freshman race at the DuPage County meet, and the winner of the freshman-sophomore race at the DVC meet. Elliot was also called up the varsity squad for IHSA Regional meet, finishing 2nd for the Tigers. The remainder of the freshman-sophomore boys helped lead the team to a third place finish at the DVC meet. All of the runners had an outstanding season, including sophomores Eric Jones, Tim Coleman, Chris Brennan, Tim Hoekstra, and Blaine Weckesser, and freshmen Brian Watson and Nathan Pietsch. The freshman-sophomore team will send many of their runners to the varsity level next year.

FOURTH ROW: Chris Darcy, Erica Johnston, Nicole Esterman, Joy Cornell, Nikki Piersol, Stephanie Janak, Nancy Gronberg. Not Pictured: Suzy Richards.

WCHS's Varsity Girls had an outstanding year. In 1986, the Girls' Cross Country team had only 13 participants; this year, 29 girls finished the season. Led by Senior Captain Polly Thompson, the Tigers brought home a 4th-place at the DVC meet. Team MVP Jenny Robb's 8th-place finish earned her All-Conference honors. The remainder of the girls' strong Top Seven included returning letter winner and Most Improved Runner, junior Nicole Esterman, sophomore Lyn Volz, freshmen Rebecca Haremza and Roberta Santoianni, and post-season addition Colleen Goldsborough. After placing third in the Regional, the girls advanced to the Sectional meet, where they finished a respectable 8th out of 20 schools. With only one top seven runner, Polly Thompson, leaving, the girls look to possibly go to the State next year. Good Luck.

# VOLLEYBALL

The 1987 Varsity Volleyball team was the most successful team Wheaton Central had had since 1984. This year, the girls really pulled together and assumed a competitive attitude. Despite the coaching change, the girls continued to work hard and they never gave up. Led by senior captains Marianne Temple and Krista Novak, the team won big games against Immaculate Conception, Montini, Wheaton Christian, and Glenbard North. Marianne Temple was named special mention all-conference and Cecilia Rettig received an honorable mention. Other notable players were Cathy Groth, Michele Santoianni, and Brenda Shay. The varsity team would like to thank Mrs. Wilcox for taking over and making this season memorable.

The Wheaton Central Volleyball team is looking good for next year. Mr. Fitts, the junior varsity coach, led his team to many victories. Betsy Boudreau, Katie Blinn, Laurie Smith, Angela Guerrieri, and Betsy Niemann were the driving forces on the junior varsity level. The freshman-sophomore team had a great season also. They learned the basics as well as strong team play. Mrs. Scarbeck was the coach for the second half of the season and did a brilliant job with these outstanding players.

Under the leadership of Coach Geppinger, the girls' golf team had successful season. The Tigers finished with a 3-3 regular season record, but for the first time ever, the whole team earned a trip to sectionals. The size and performance of the team is very encouraging for next year. Co-Captains Jennie Colby and Karin Wang both had exceptional seasons and will be missed in 1988.

The highlight of the 1987 Tiger Golf team was its 5th place standing. Many less experienced players saw Varsity action this year, so the team should be strong for the 1988 season.

Senior co-captains Matt Troxel and Brian O'Malley led the team. Juniors Jim Goble and Jeff Denman, along with sophomore Bob Wilson, rounded out the main arsenal. MVP Matt Troxel was the only All-Conference player this year, missing a repeat of last year's championship performance by three strokes, finishing second place in the conference. Jim Goble was voted the best putter on the team, while Jeff Denman had the lowest average. Even though Brian O'Malley and Matt Troxel will be missed next year, the team should have a tremendous season.

THIRD ROW: Bill Sandefur, Chris Dudek, Bryne Gallagher, Kyle Baumann, Andy Oaks, Derek Barrigar.

This year's Varsity Boys' Basketball team had a better season than they expected. Coaches Geppinger and Brennan emphasized a strong shooting game, and both agree that the team had the best man-to-man defense of all. Senior Bill Sandefur and sophomore Jeff Thorne were the top three-point shooters in Conference. Captain Scott Barton also had a successful season.

The Tigers feel that the reason they had done so well is because they have pulled together as a team and are not just a group of individuals. The seniors especially have become very close throughout the season. With a combination of exceptional skill and spirit, the team has completed what they feel was a very satisfactory season.

The girls Varsity basketball team outdid themselves this year. They showed their talent of putting points on the scoreboard. Co-captains Liz Toohey and Marilyn Wilson were by far two of the most dynamic players on the team. But the team wouldn't be a team without all the valuable contributions from all the other players. Coaches Rich Jarom and Ralph Heatherington refined the skills of the girls into a lean mean basketball machine. "Congratulations to the 1987-88 Girls Basketball Regional Champions!"

With the Tigers placing 4th in conference and 15th out of 17 schools in the Illinois Best Invitational, the gymnastics team had one of their best seasons this year. Wheaton Central had several stars on the varsity team: Jen Husak's dynamics on bars, Julie Robertson showing talent on the beam, and Stacey Ohlman placing 8th in conference in All-Around. The freshman class added lots of new talent to the group which will hopefully expand and make gymnastics at Wheaton Central even better than it is today.

The Varsity team had nine returning lettermen this year. Coaches Houle and Sears provided guidance. The leadership was furnished by Captains Dan Cothern and Erik Fuller.

In the weight room and on the practice mats, the team fine-tuned their technique. All the hard work paid off, because in Regionals, three wrestlers advanced to Sectionals. The Tiger wrestlers have definitely earned the right to be proud of this season.

Stick, pin, reversal . . . if the members of the Freshman and Sophomore teams didn't know the meanings of these terms before they started practice, they knew them by the end of the season. Coaches Houle, Hauke, and Sears enlightened the team with their expert knowledge of wrestling and the results were astonishing. The boys had a great season.

The 1987-88 Tigerette Squad was composed of 24 hard working and dedicated girls. The squad consisted of three sophomores, nine juniors, and twelve seniors. Under the leadership of co-captains Jenny Hoppenstedt and Lisa Mini, the Tigerettes placed 1st in overall performance at their camp session during the summer. Although the squad had a new faculty sponsor, they improved steadily throughout the year. As always, the Tigerettes added color and flair to pep assemblies and halftime shows with their acrobatics, dancing, dazzling smiles, and fearless approaches to muddy fields.

# BASKETBALL/WRESTLING/CHEERLEADERS

Contrary to popular belief, the Tiger Cheerleaders do more than just look beautiful and act perky on the sidelines. After a month of hard practicing every day this summer and going to camp at USCA, the 1987-'88 cheerleaders were ready to cheer our Tiger guys to victory. The major factors in getting the girls to be a team and not just cheerleaders were the captains. The basketball co-captains were Alesha Gunderson and Tracy Pierson and tri-captains for wrestling were Sheryl Chadra, Sally Newman, and Jolene Nork. Each Cheerleader was a "secret spirit" for a fighting Tiger, which meant making posters and a snack pack not only for every regular game but one for every day of the week during Homecoming and Spirit Week. But our tigers hung in there through it all. The Tiger Cheerleaders were dedicated to each other, the teams, and the school.

# WECOMI 1988 DEDICATED TO:

Ed Ewoldt, Margaret LaBudde, and Gene Propes for the positive influence they have had on thousands of students. These three teachers, who have accumulatively taught in School District #200 for 68 years, have been at the forefront of many positive changes at Wheaton Central. Besides working diligently in their respective departments, they enthusiastically endorsed increased extra-curricular activities for girls, help design the shift to a seven period day, and lived through the chaos of a major building renovation. They have each inspired teachers and students to do their best, and this characteristic makes them unique in their profession.

## Mr. Ewoldt, Mrs. LaBudde, and Mr. Propes - The students of Wheaton Central say - "Thank you - and we'll miss you!!"

Ed Ewoldt 1959-1988

"If you would look underneath the surface of Mr. Ewoldt, you would discover that his blood is orange." This statement, made by Mr. Baker, best sums up Ed Ewoldt's tremendous dedication and Tiger Pride. Mr. Ewoldt began teaching in Iowa in 1955, and has since spent each of his last 29 career years at Wheaton Central. He is best known for teaching biology, but has also taught Life Science, Earth Science, and Driver's Education. To Mr. Ewoldt, Wheaton Central is not just the site where he is employed, but more of a second home.

Mr. Ewoldt was the Athletic Director of Wheaton Central for 10 years, during which time he attended over 95% of the home meets of every interscholastic sport. As the A.D. he was responsible for establishing soccer as a night time sport, by placing them under the lights on Grange Field. Although no longer the Athletic Director, Mr. Ewoldt still attends most sporting events because he exhibits such immense school spirit.

In his 29 years at Wheaton Central, "Coach" Ewoldt, as many of you know him, has coached Football, golf, soccer, wrestling, baseball, and softball. He is best known for his statewide contributions to the sport of wrestling. Having researched and developed the State High School Wrestling History, Mr. Ewoldt has become the State of Illinois's Wrestling official "State Historian." He is also active in the Illinois Wrestling Coaches and Officials Association and the Illinois Wrestling Federation and the NCAA and USA Wrestling Associations. Coach Ewoldt presently chairs the Illinois Wrestling Coaches and Officials Hall of Fame Selection Committee and the Grand Marshall at the State Finals Selection Committee and serves as Illinois Team Leader to the USA National Wrestling Tournament. He also presently runs the University of Illinois Open Wrestling Tournament and the National Junior College Championships.

Naturally, Mr. Ewoldt has been honored numerous times for his tremendous dedication. In 1975 he was inducted into the Illinois Wrestling Coaches and Officials Hall of Fame; he has also held the honor of Grand Marshall at numerous Wrestling Championships, most noteably the state finals in 1984. He was named Honorary Chairman of the World Cup Greco Wrestling Championships in 1986. Mr. Ewoldt's efforts earned him the honor of "Wrestling man of the year" in 1986. Mr. Ewoldt had further awards accorded to him over the years; the Upstate Eight Conference named him Wrestling Coach of the Year in 1965 and again in 1966. He was also accorded the NCAA 25 year service award in 1980.

Coach Ewoldt has miraculously found time to coach wrestling teams in the state. In fact, he has taken two different teams overseas, and one team to Eastern United States, where they combined wrestling, sightseeing, and history. Some of his Free Style and Greco teams have traveled to the People's Republic of China, West Germany and Austria. Mr. Ewoldt plans to contribute partaking in such activities as long as he remains "mentally and physically capable of doing so."

Asked why he took so long to get started in the teaching profession, he stated that six years in the U.S. Navy, immediately following high school slowed up the formal educational process, although that time was immensely valuable in the lessons of life.

Mr. Ewoldt believes that Wheaton Central has always been a "top notch" school, both in academics and extra curricular activities. He praises the "high-geared, qualified faculty" because they all truly care about all aspects of their school. Mr. Ewoldt firmly assesses that "any student that comes to Wheaton Central should feel extremely lucky and privileged to attend such a great school."

He wants every student at Wheaton Central to work hard, and do the best job that they can. As a result, he believes that all students should achieve an "appropriate level of success." His favorite memories of Wheaton Central will always include the pleasures he has felt upon seeing a student who "succeeds as a human being."

Although Mr. Ewolwdt's teaching career at Wheaton Central has been completed, his pride and love for the school will always prevail.

Gene Propes 1959 - 1988

It would come as no surprise to those who know him well that Gene Propes started his educational career as a Southern Illinois high school wrestling coach, demanding from his team their best efforts, and accepting no excuses. He brought the same requests to Wheaton and Warrenville in 1968 when he was named the principal of Edison Junior High School, serving a fifteen year tenure.

In 1983, when Wheaton Warrenville and Wheaton Central High Schools were consolidated, he was named the principal of Wheaton Central High School. He was faced with the challenge of integrating new students with new faculty, and trying to smooth over unhappy parents feelings. He faced this with his characteristic view that no challenge is impossible, no jobs is to big and no excuse for failure is acceptable when it relates to a students education.

During his years at Wheaton Central Mr. Propes has been involved in many positive changes, including the selection of three Assistant Principals, the construction of the Senior Center, the addition of a girls soccer team, new band uniforms and a new track. He was a staunch supporter of all Wheaton Central activities, and could be seen at most of them at one time or another.

Gene Propes was a dedicated educator and his standards for students, faculty and staff have been the same throughout his career: we never stop learning, we never settle for "good enough" and we never say "I'm stuck between a rock and a hard place, so I'll quit."

Margaret LaBudde 1963-1988

We will remember Margaret LaBudde for her years of selfless dedication to students and teams, for the sparkle of her eyes and her ready smile, for her sincere interest in others, and for her unquenchable energy. She has served Wheaton North and Wheaton Central High Schools as a lovely lady who taught with patience, knowledge, and a sense of humor. Before Mrs. LaBudde joined District 200 in 1963, she taught at Villa Park for 10 years and Willowbrook for 1 year. In District 200, she has chaired and was otherwise active in the P.E. departments at both high schools. Her first years, 1963-1966 were at Central. In 1967, she transferred to North, where she remained until 1976 when she switched back to Central. She has been here ever since.

At Wheaton North, Mrs. LaBudde was the sponsor of the pom squad for 10 years, was head coach of volleyball, assistant girls' basketball coach and assistant girls' gymnastics coach. When she switched to Wheaton Central, she remained active, serving as head volleyball coach for 6 years and head badminton coach for 8 years.

When Margaret LaBudde started teaching in District 200, the girls' gym classes met separately from the boys. She helped to make the gym classes coed and let girls realize their athletic potential. Mrs. LaBudde was also a leading promoter of girls' sports. Although she was an advocate of student athletics, she always encouraged her team members to remember that their education should come first.

We thank her for the glow of her nature which has inspired all of us who were lucky enough to know her. She has captured the admiration and respect of us all.

Jay - I was reading some of your other signatures and some of these people are so stupid. Ex: Party Hard, Do Bongs etc. Don't worry about it. Remember way back when - back in the awful SAT class from HELL! That class didn't teach me ~~shit~~ I'm sorry I mean any thing. Did it help you. If you say yes you're lying. Remember arguing with the snow queen. Hey are you going out for speech next year? You didn't sound too enthused about it when we talked that one time. Well Jay I'm about to ditch Study Hall. See ya later.

# The Class of 1988!

← Jay-
I idolize Jenson & have a wife like her. You're a really swell guy, seeing that I've known you all of 3 weeks. But anyway, hey any times in the future you don't find it necessary to cart me home, just say so, huh! Don't get mad! Do you ever notice all y-book signatures are the same? So have a good summer! ha ha. I know I will see you if you are with Merilou (Katie) I'll until then.. Have fun next year! Love and kisses Sarah

# ABOUT THE AUTHORS

Many people have asked me what the theme "State of the Art" has to do with this year's book. When we first selected the theme on the suggestion of Neha Desai, it was based primarily on the fact that "State of the Art" sounded cool. What it evolved into was a philosophy for doing a yearbook in which we have tried to incorporate as many new and different ideas as possible. Examples of this include the extensive use of color and tint, a color section of student artwork, senior autographs, longer senior biographies, and a trail of Tiger tracks running through almost every section. The many innovations that are a part of this year's Wecomi came not from any one person, but from many different staff members, all trying to do their best to make this year's book a state of the art production. To individually thank everyone who worked on this year's book would be an endless task. The best I can do is to thank those people whose contributions were so great that without them there would still be blank pages scattered throughout this book.

Starting with the cover, once again Neha came through with a stunner. The idea for the script "Wecomi" (which also says "Go Tigers" if you haven't noticed) was contributed by Derek Barrigar. Derek also drew the art for the opening page.

As we move to page two, the pictures begin. For them, I owe my life to our chief photographer, Alanna Walen. She took and developed almost every photograph in the yearbook out side of the Sports Section.

The Activities Section was tackled by three unbelievably dedicated people: Annie Huang, Activities Editor; Barb Allen, Assistant-Activities Editor; and Christine Tsiang, Assistant-Assistant-Activities Editor. It was an enormous pain in the . . . ahhh . . . neck; but with a little help from their friends, it turned out awesome. I especially want to thank Annie for not giving up when the pressure was on.

The Sports Section, with Anu Mahajan in charge, was done almost entirely by a soon-to-be-named saint, Cherylyn Cornell. She took pictures, got copy, and made sure the all pages were layed out. So impressed was I by the quality of the finished product that I've forgiven her for erasing the only copy of the sports disk on the night of deadline.

Jenni Heaton was the mastermind behind the Dedication and Faculty pages which, as a result, were great. Her brother John was the mastermind behind our stereo which, as a result, has a coat hanger for an antenna.

Moving on to the class pictures, Jennifer Vlack and Joy Rosen headed the Freshman Section; Heather Mammen and Michelle Porter were responsible for the Sophomore Section; and Julie Robertson and Lynell Smith were in charge of the Junior Section. These wonderful women, along with their staffs, did their pages very well.

And then there were Mary McCall and Serene Sheikh. These two gems of the ocean jammed on the Senior Section with new ideas and superb execution. This year's Senior Section will stand as a model for future yearbooks.

The world events of this past school year were captured expertly by Liann McDonald. Wading through a year's worth of news was no easy task, but Liann made it seem like a piece of cake.

As for the Index, I thank Scott Holderbaum and friends for making a valiant attempt at getting it finished, but in the end the job was left to me and any other staff members with spare time, a rare commodity.

Being editor would have been an impossible job if it weren't for the dedication and self-sacrifice of our two wonderful sponsors, Mrs. Coffman and Mrs. Beatrice. Although rookies to the yearbook scene, they quickly became masters at helping out poor yearbook editors in times of need. To Mrs. Coffman, who is moving away, I wish the best of luck in her new home; and to Mrs. Beatrice, I bequeath what remains of the yearbook staff for next year.

I am proud to have been a part of the 52nd Wecomi and eternally greatful towards everyone who helped us out over the course of the year. Now that it's complete, I feel confident that this yearbook is one that can be cherished by all who are in it for many years to come. In closing, I would like to say thanks to all Central students for buying this book and for being so photogenic.

Bonne Chance et Adieu,

Jay, it has been quite an experience getting to know ya, but I think your driving abilities need some improvement!! Just joking (sort of!) I know I'll see you this summer and if I ever need a ride, ya can drive right?!! (joking, once again)

Love, Michelle

Jay, Well what can I say. Like Michelle said it has been quite an experience befriending you like I have, and I'm so happy I did. "That shot over the goal, ... way over the goal" That's class. Your seriously a very nice, interesting guy with plenty of cash when I have none. I appreciate you getting latter year junior year. We have done a shitload of partying in the time we've known eachother. You're also good to talk to intellectually when I was having problems with that girl who signed the top of this page, which was all the time pretty much. Your driving + taste in music is also comin around, one day you'll appreciate the fine artistry of LED ZEPPELIN. Just gimme the summer and you'll be headbangin to METTALLICA with me + Eggs, Dude we're gonna drink hunchreds of gallons of beer, draft as always, and we'll drive to fucken Kennedy airport in fucken New York or something, See ya Pete

Jay,
You're a crazy driver, but I love it. I've had a lot of fun with you this ~~year~~ year--
Kris's house, Lincoln etc. & I hope it continues through summer. Have an awesome one! See ya!
